

BLUE MBA

The University of Alaska Fairbanks College of Business and
Administration, in collaboration with the College of Fisheries
and Ocean Sciences, offers a Master of Business Administration
degree with a focus on fisheries and aquaculture.

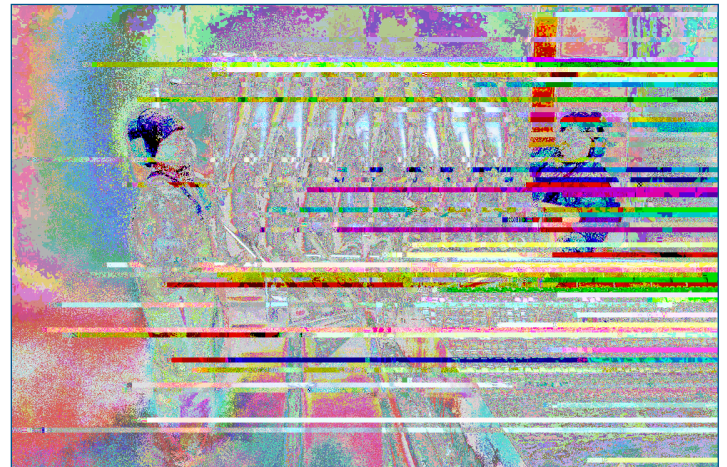

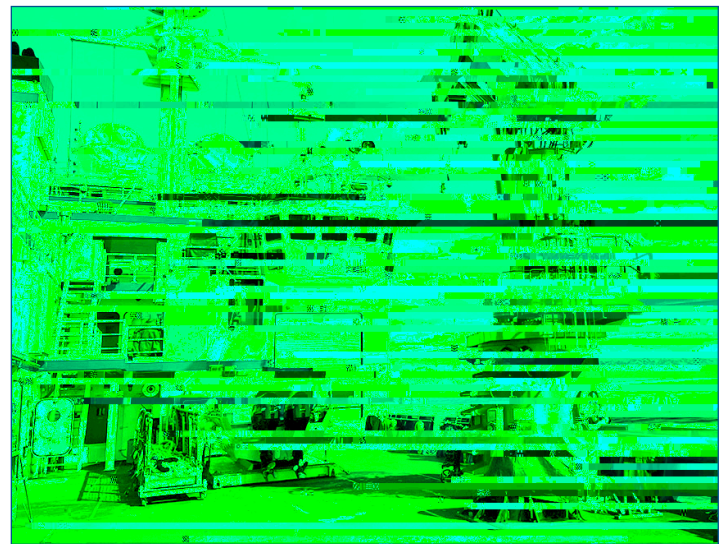

BUSINESS SOLUTIONS FOR A CHANGING ARCTIC

Environmental change is reshaping the
Arctic, and Alaska's Arctic region is
a global leader in addressing the
challenges and opportunities of the Arctic. The UAF

ONLINE CURRICULUM

The Bachelor of Business Administration (BBA) program is designed to provide students with a strong foundation in business and management. The curriculum includes courses in accounting, finance, marketing, and human resources. Students can also choose to specialize in areas such as International Business, Supply Chain Management, or Cybersecurity. The program is designed to be flexible, allowing students to complete their degree in as little as two years.
