

MAP KEY

USER GUIDELINES

- Open to all non-motorized use
- Wet and muddy areas are more vulnerable to damage. When the trail is soft, avoid the area.

PET POLICY

UAF Pet Policy- Excerpt of UAF Policy 05.09.001:

The animal shall be restrained at all times. The animal handler or owner shall be responsible for the immediate disposal of animal waste.

UAF NORTH CAMPUS

Winter use of the North Campus area has designated ski, walking and snowshoe and dog friendly trails, during the summer trails are multi-use. Users are encouraged to follow trail etiquette and respect everyone's right to use the trails. Things to remember when out and about in the North Campus Area:

- Stay on designated trails
- Do not disturb research projects, plots, markers or equipment
- No camping or fires
-
