Guests: No Guests

1. Welcomes and Introductions

a. No guests to introduce

2. Exterior Signage and the MPC

- a. The large banner that was planned for installation on the Combined Heat and Power (CHP) building has been put on-hold. UAF Public Relations will consider design modifications based on further consultation, which is to include the MPC.
- b. The MPC discussed how to work closely with UAF Public Relations on recommendations for specific outside banner placement.
 - In 2012, Public Relations developed a branding strategy as a guiding principle for design and installation of decals and banners that included the theme of Naturally Inspiring and Nanoq092 reW*

4. Facilities Services

a.

a.	Next meeting will be a tour of the CHP and is scheduled for Monday, November 12, 2018 at 9:00 a.m. beginning at MIRL
