TEACHERS OF RAHI

Teachers. Please, this is so hard to say. Especially when I've been here day after day. You all know how I feel. That sometimes I wish I was blind. No, I lie! I really would like to say. That you are very special.

HOME

I'm far away from home.  
All I see are the trees and willows there.

buildings turn to mountains, and  
streets, deep lonely valleys.

It's not cars I hear,  
but singing as they fly from tree to tree.

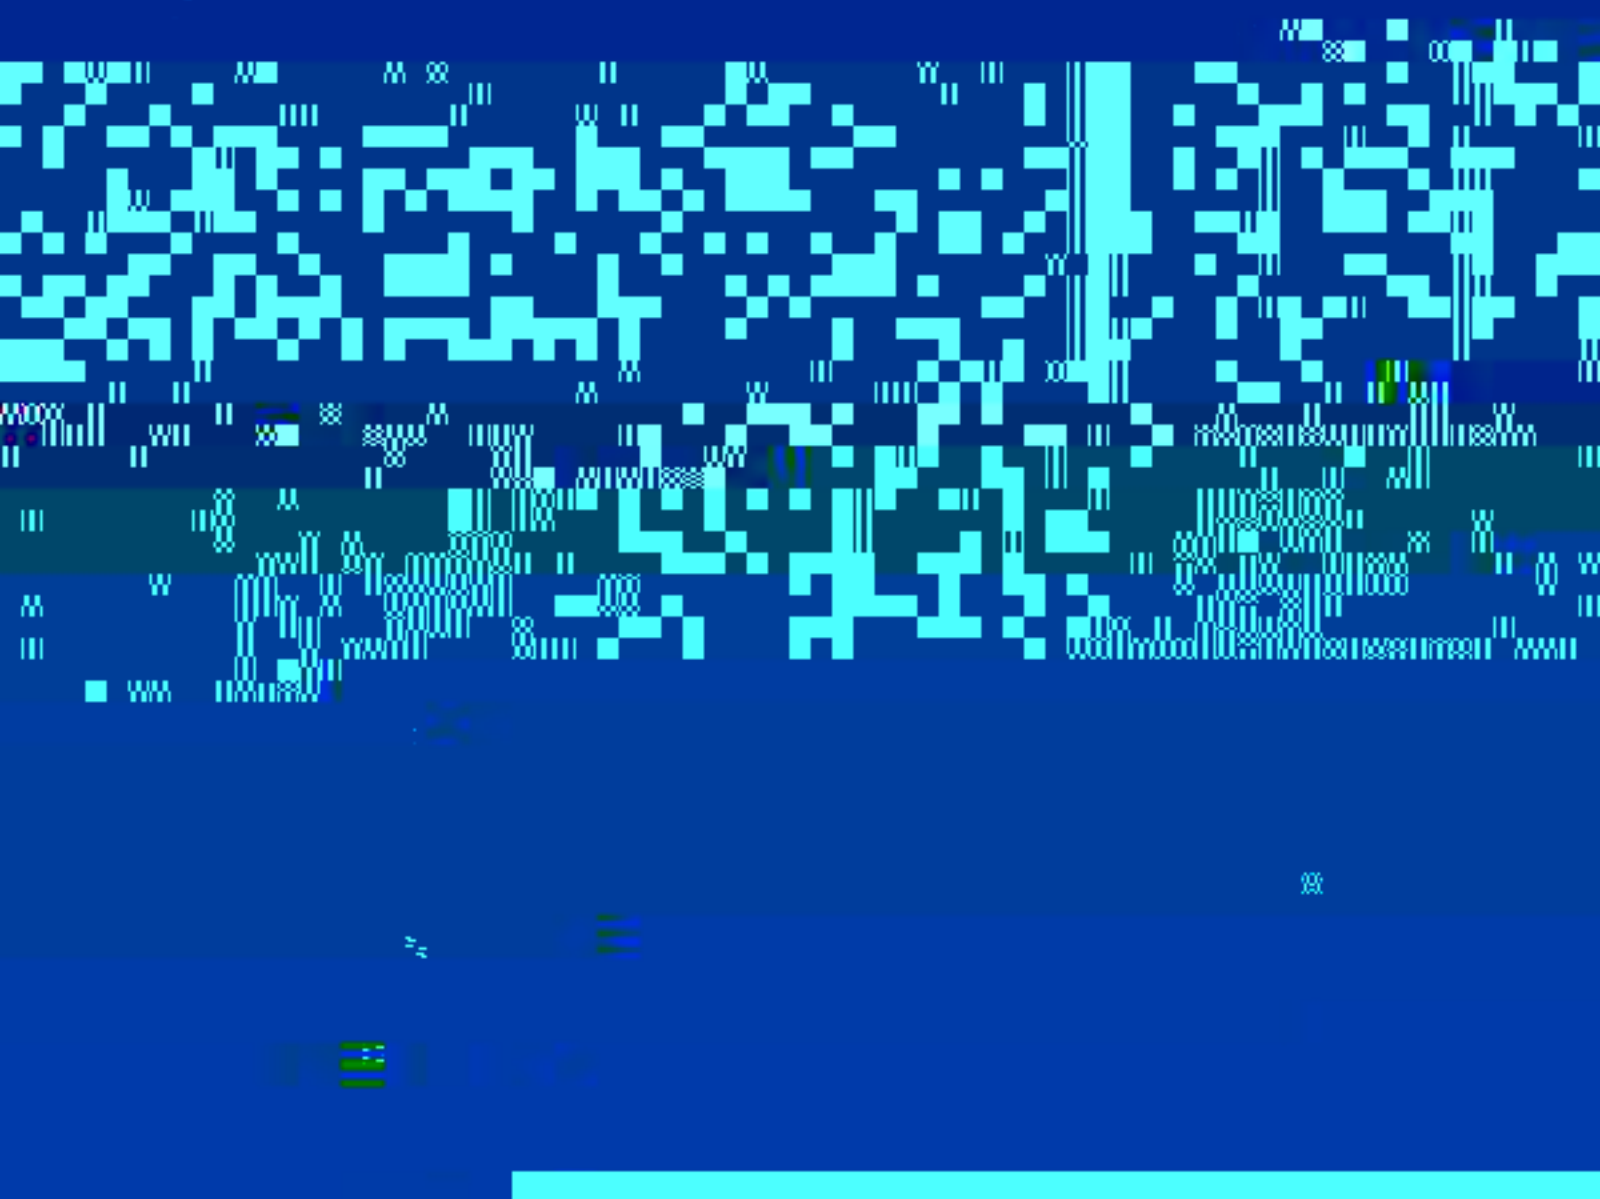

I see you there,  
Someone I miss, not you.

Sunlight,  
shadows, shades,

YOUR HOLD

Because of my love,  
you hold my heart  
your hand.

open your hand and  
let the sunlight of  
your smile  
help it to grow.

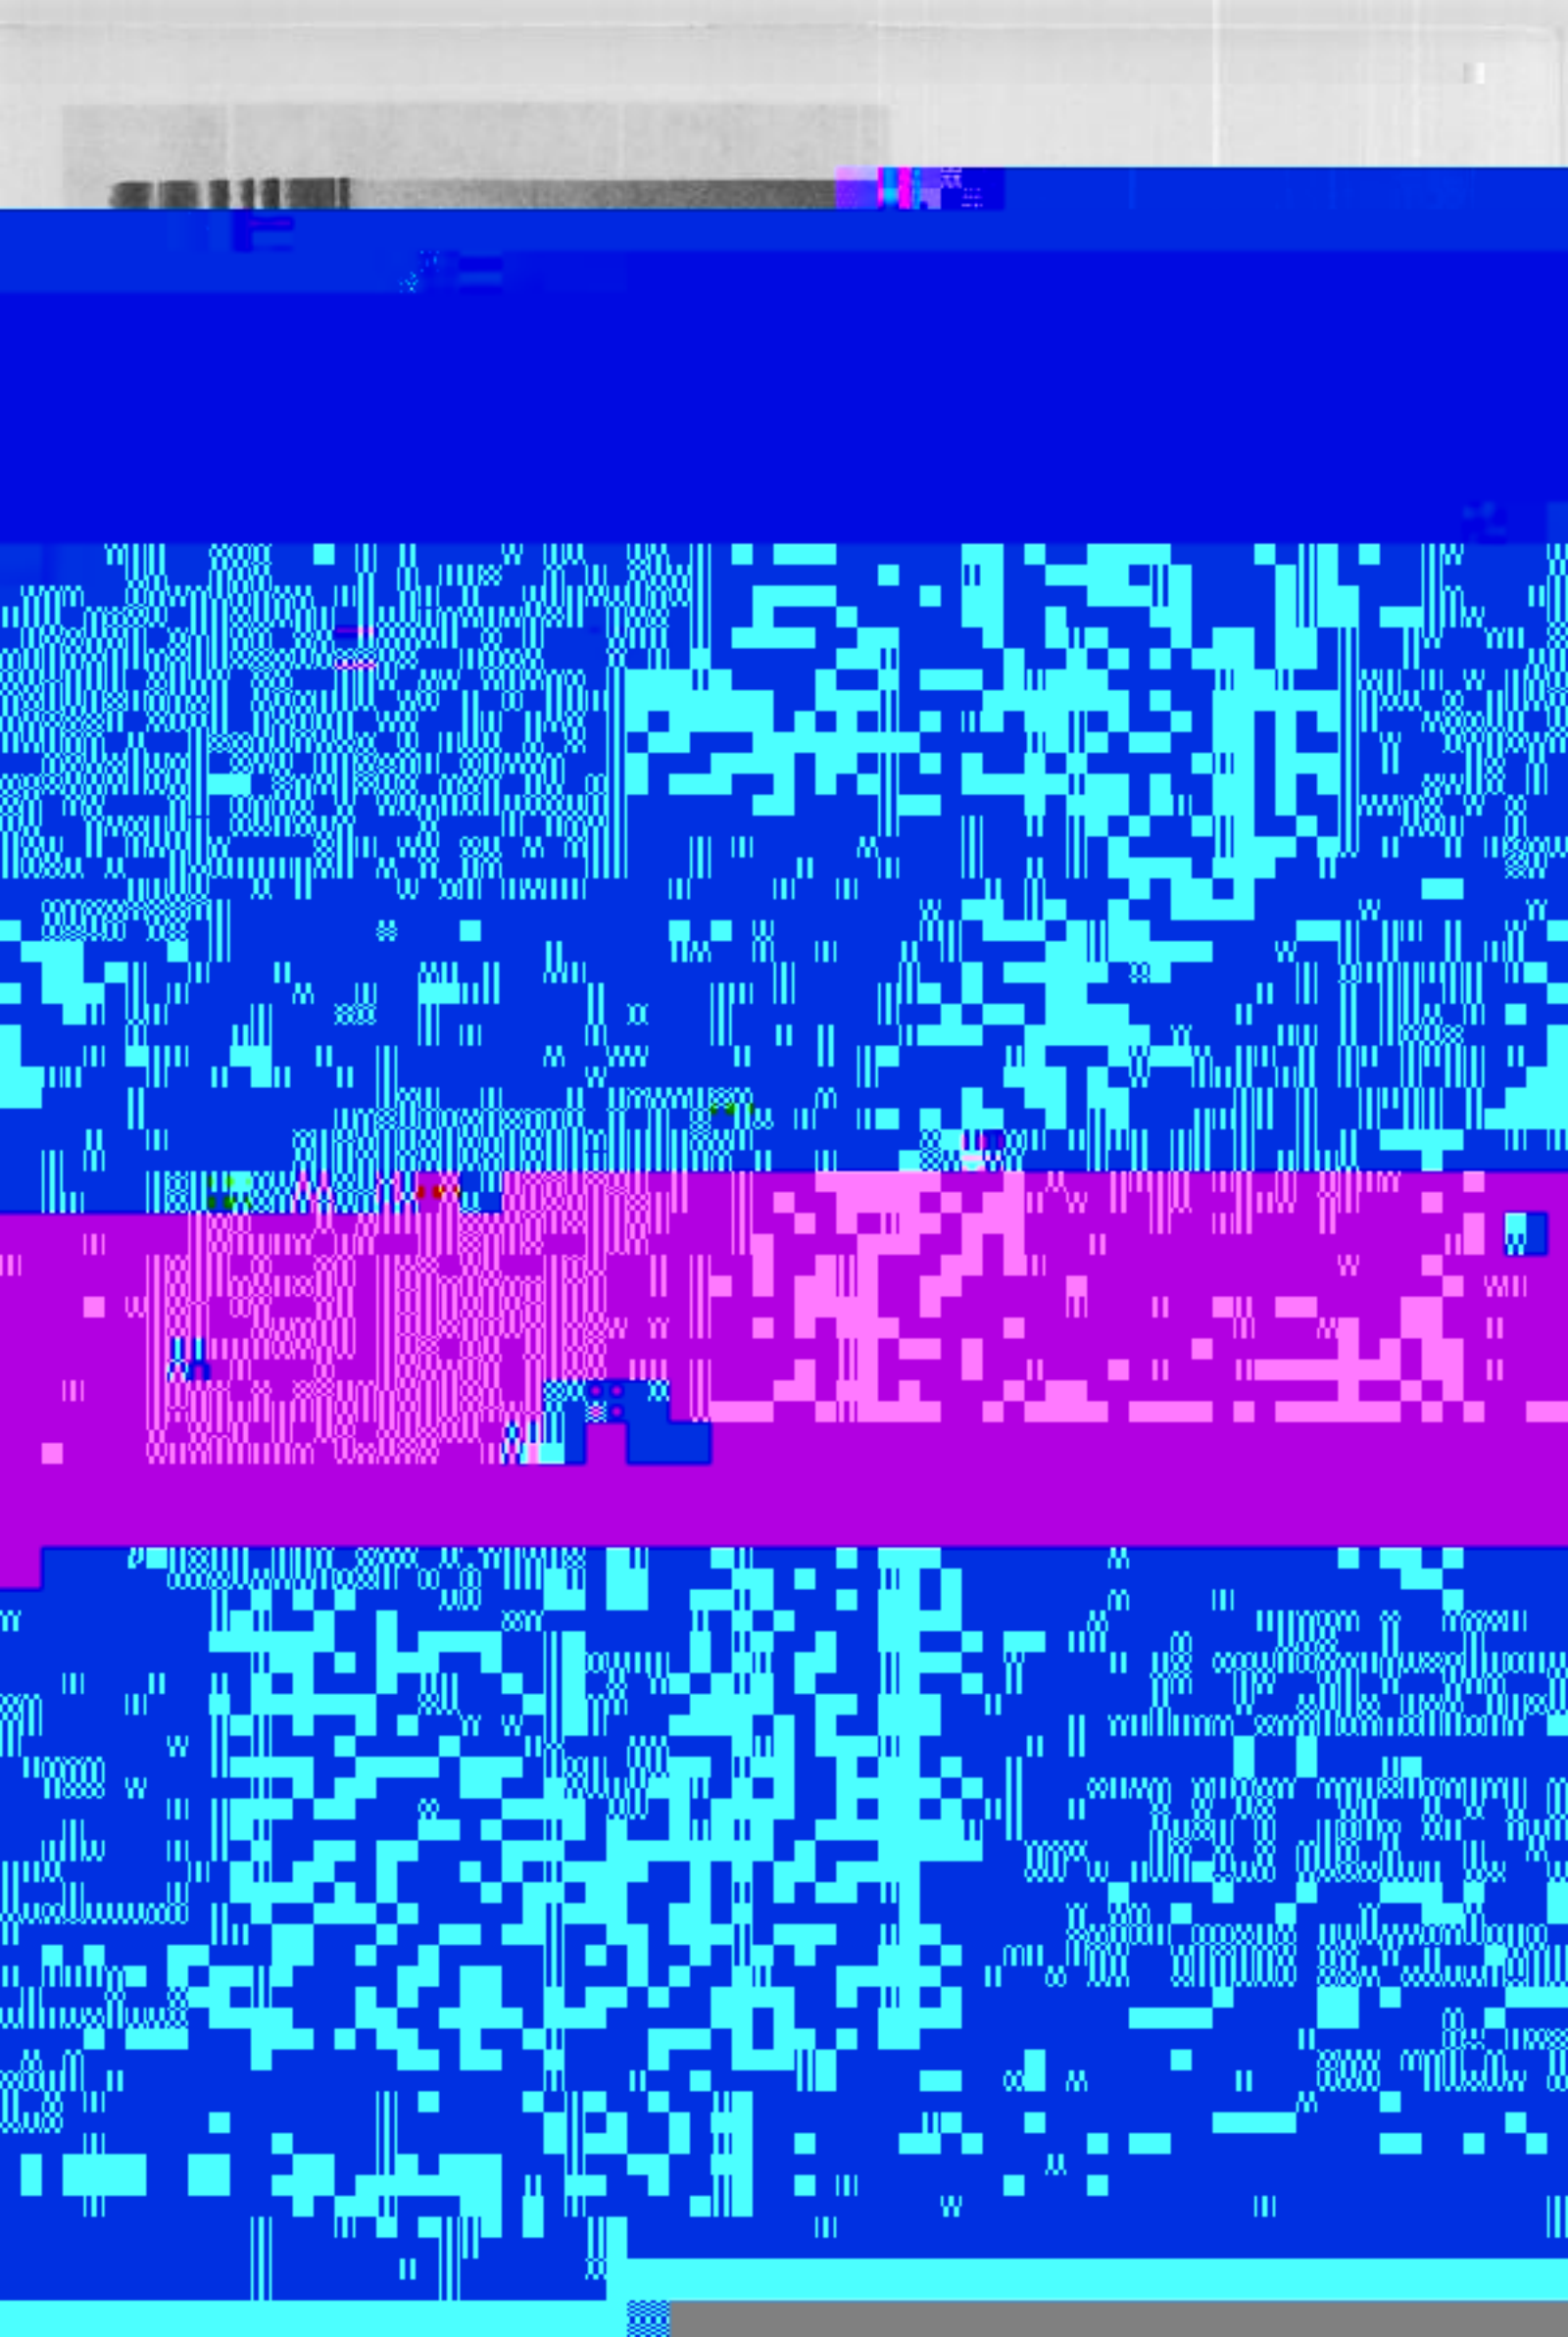

Don't jus

torture.

I need to be warned away,  
or held really close.

Any other way and I'll  
always want you and  
...  
for the warmth  
of your smile

RAHI

RAHI is almost over,  
as soon as it started  
it is going to end.  
With all the friends  
that I newly made.

But soon a time—  
will surely come  
when we must say,  
good - bye.

With all the friends  
that we have made  
they will forever  
be stored

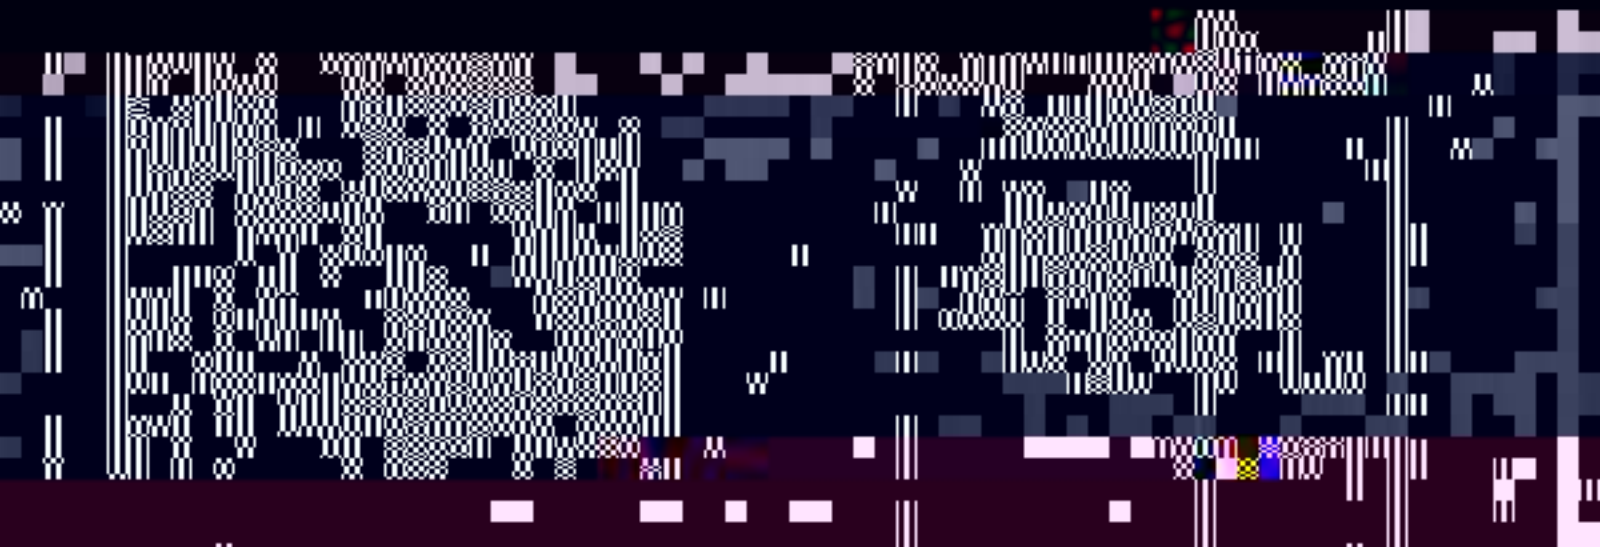

in your brain,  
and hopefully never  
to go insane.

As hard as it

that still it but  
will come a certain

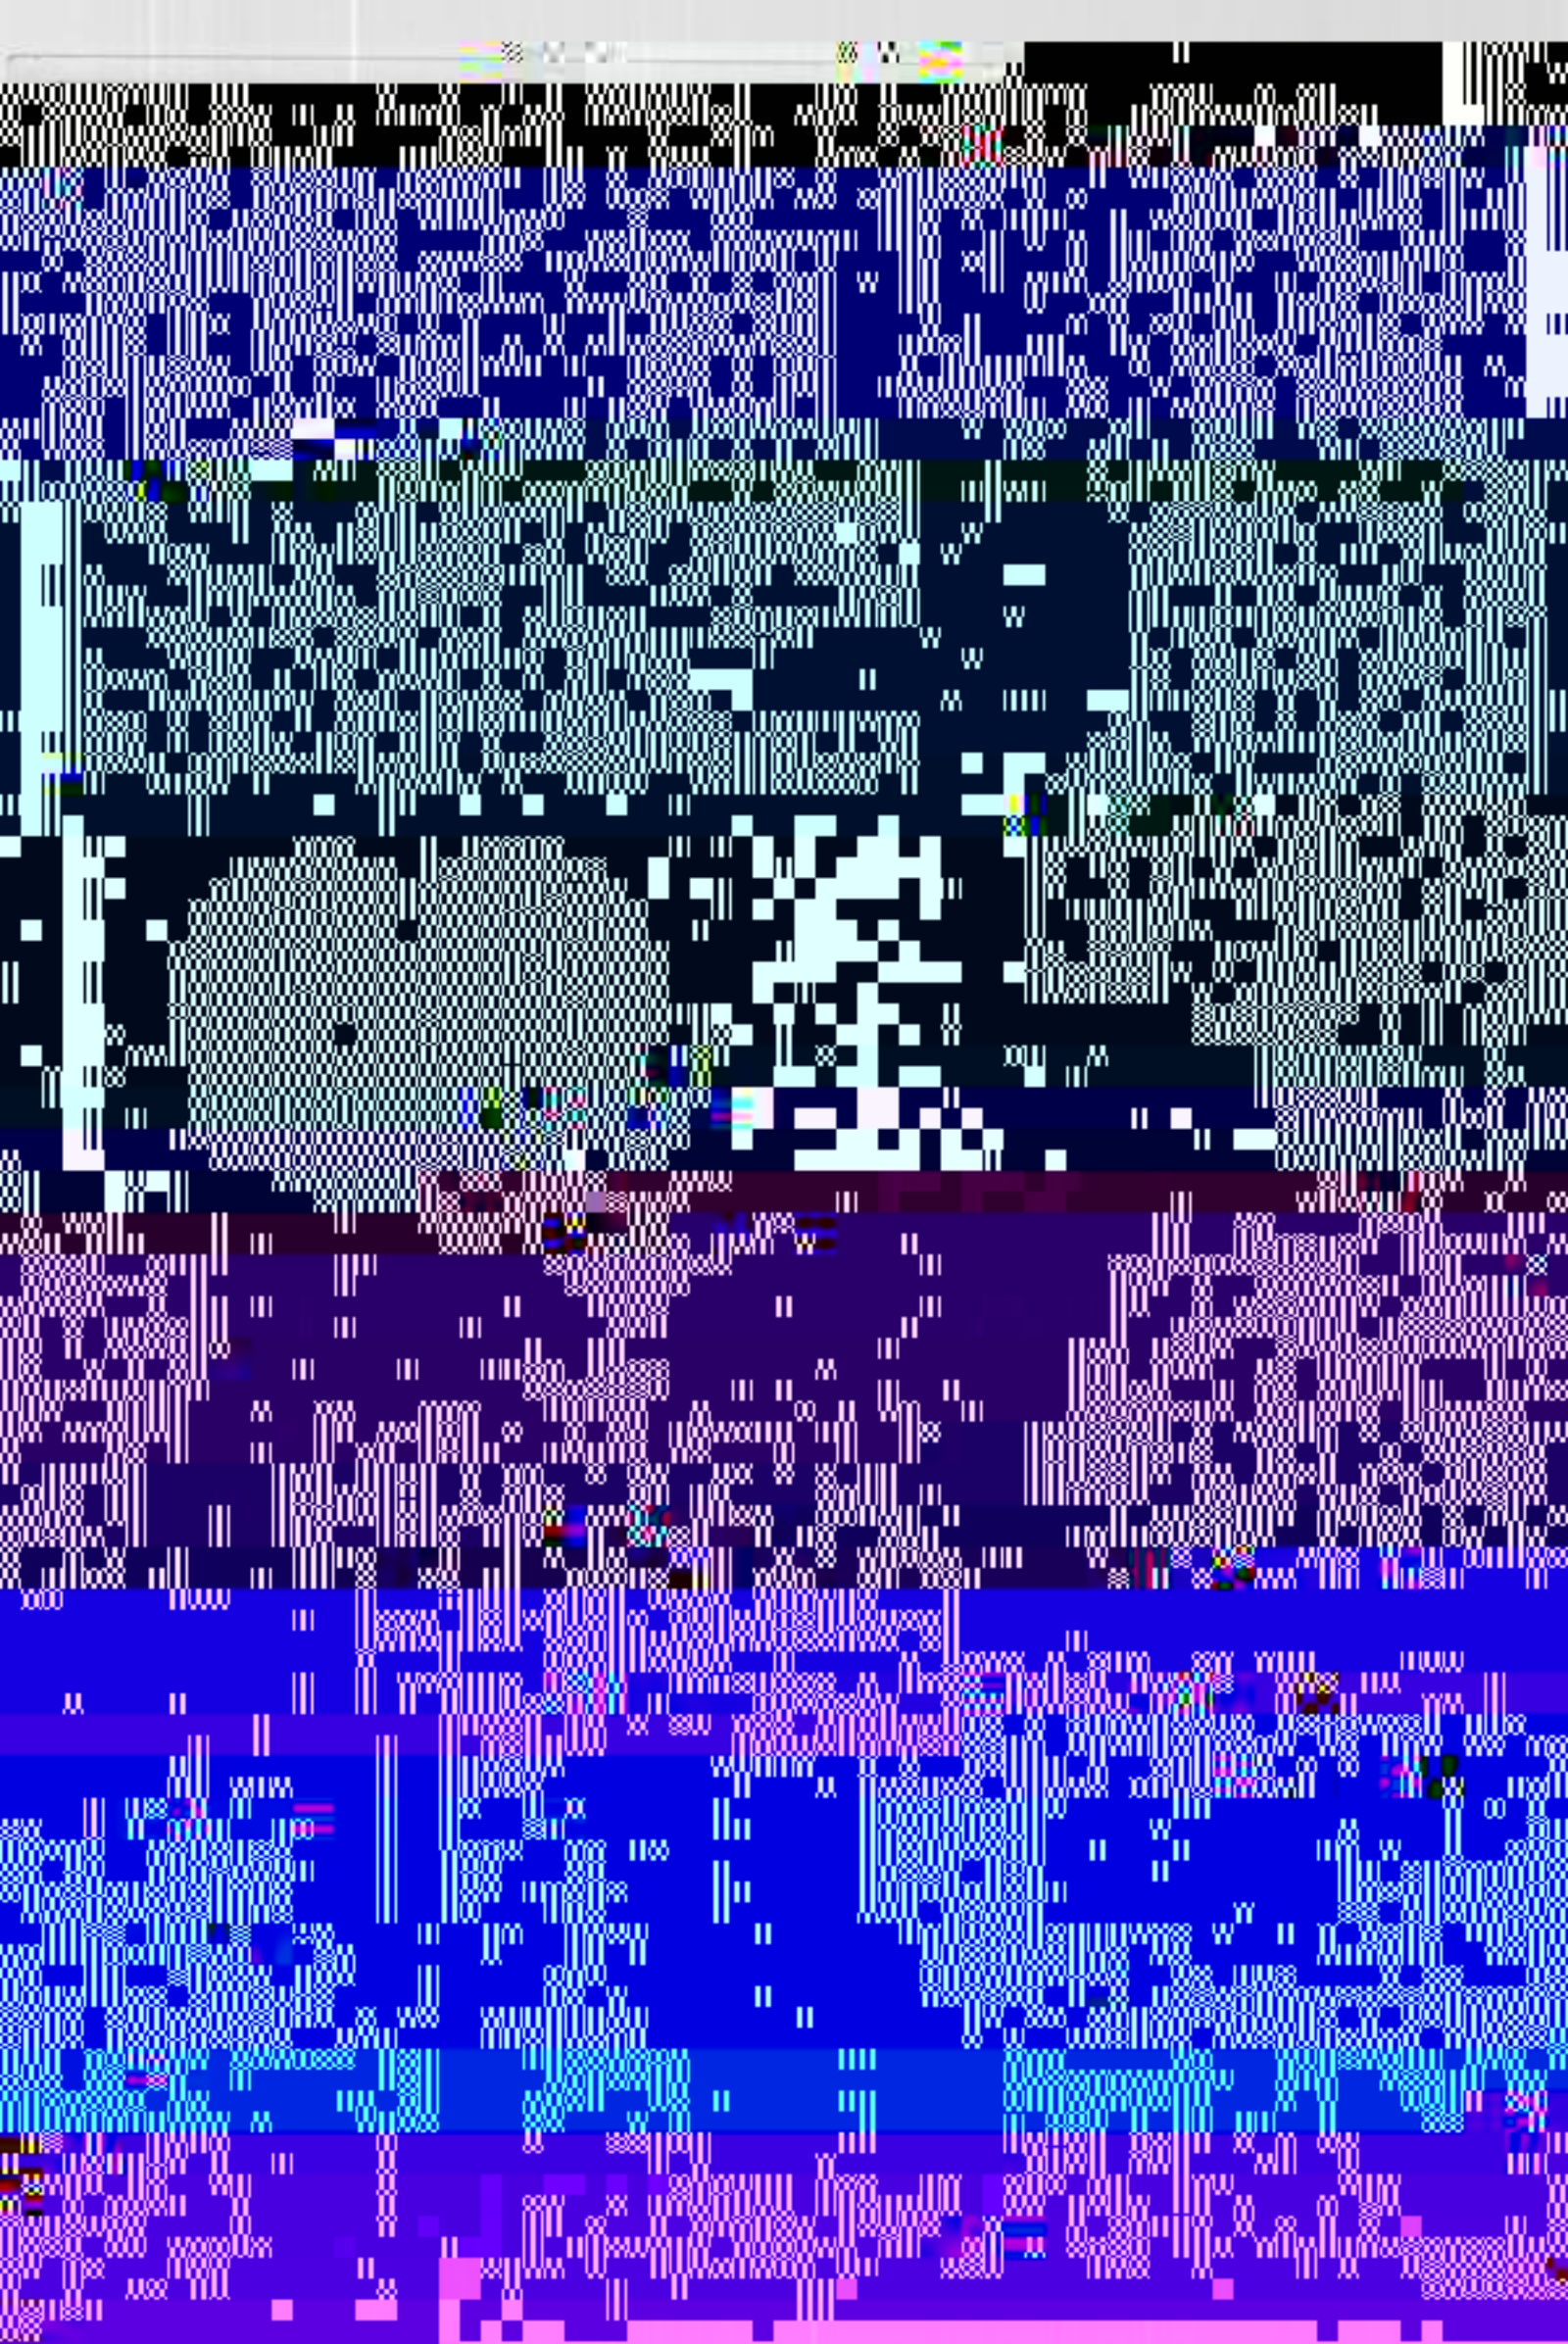

time when we  
will have to say  
good - bye to  
all our friends
