

The UAF Faculty Senate passed the following at Meeting #172 on February 7, 2011:

MOTION:

The UAF Faculty Senate moves to consider students transferring to UAF with an Associate of Science (AS) or Associate of Arts (AA) degree from a regionally accredited school satisfying one of the criteria below, as having satisfied the **100 and 200 level UAF General Education (Core)** requirements.

Effective: Fall 2011

Rationale: We recognize that UAF's Core Curriculum is a means to an end: ensuring that UAF graduates have a broad liberal education. AA and AS degrees which meet one of the requirements listed below have been purposefully designed

our own Core Curriculum. Students graduating from these programs have some exposure to math, science, humanities and social sciences and are adequately prepared to enter upper-division coursework at a 4-year university. Applied degrees (such as AAS) are not included as they do not have the same broad

Students transferring to UAF with an Associate in Science (AS) or Associate in Arts (AA) degree from a regionally accredited school satisfying one of the criteria below will be considered as having satisfied the **100 and 200 level UAF General Education (Core)** requirements.

1. The AA or AS degree is from the University of Alaska
