

DRAFT MOTION

The UAF Faculty Senate moves to amend the Evaluation of Educational E

Evaluations shall be conducted with regard to the following:

- 1) Student Information
Students shall be assessed upon entry to the university for purposes of course advising and placement, especially in mathematics and English, and for describing the gender, age, ethnicity, and previous education of students recruited, retained, and graduated over time.
- 2) Evaluation of the CORE Curriculum
Evaluation of the CORE curriculum shall include course assessment embedded within CORE courses as well as the assessment of students within upper division courses, especially oral and writing intensive courses.
- 3) Programmatic assessment
Each degree and certificate program shall establish and maintain a student outcomes assessment process useful for curricular reform and consistent with institutional and specialized accreditation standards.
- 4) Evaluation of Out of Class Learning
An important element of a student's overall education is learning that occurs outside of classes. Therefore, an evaluation of activities and student support services will be conducted.

The chair of each department (or equivalent as identified by the Dean or Director) shall prepare a report at least **EVERY TWO YEARS** [[four years]] summarizing the Educational Effectiveness program for each certificate and degree program offered by that department. The report shall include a summary of the following:

- A. Student outcome goals and objectives of the program,
- B. The methods and criteria used to evaluate whether the goals and objectives are being met,
- C. A description of what information is collected annually, and
- D. How the results of such information are being used to improve the curriculum.

The report shall be presented to the dean or director's office **AND THE ACCREDITATION AND ASSESSMENT ASSISTANT IN THE PROVOST'S OFFICE BY THE END OF 9-MONTH FACULTY CONTRACTS IN MAY** [[during the month of May]]. At least some information gathering for this process shall occur annually.

Once an educational effectiveness evaluation program has been implemented for the core, the core review committee of the faculty senate shall prepare a report, at least biannually, summarizing the educational effectiveness of the components of the core curriculum. This report shall be similar in content to the report described above for individual programs but shall provide a summary for the components of the core curriculum. The components of the Core may be summarized in the report on a rotational basis, but at least some information should be gathered annually.
