1) Gender Inclusion Workgroup – ideas for nominees for monthly workgroup related to Title IX and Transgender student issues

Email from Chris Fallen,

directly was part of the controversy when restrooms in the Elvey Building were reassigned with little notice input recently and subsequently reassigned again.

Dear Orion, Faye and Colby: In response to a May 2016 Dear Colleague letter from the U.S. Departments of Justice and Edu on Title IX and Transgender Students

_____, UAF has convened a work group to ensure that our systems, facilities, policies, and practices support an inclusive environment for all students and employees regardless of gender identity, and treat students and employees in a marone isstent with their gender identity.

The purpose of this email is to invite UAF's governance groups (ASUAF, Faculty Senate, and Staff Council) to each name a representative to participate on this work group going forward. The group meets once monthly, with action items between meetings. If your group is interested in naming a representative, please submit names and contact information to Kerynn Fisher (cced on this email).

2) Continue CSW goals iscussion/planning
